Howard County is traditionally frugal with property tax monies, which are our only source of revenue because we do not collect sales tax. The half-cent sales tax the County is allowed to collect under Texas law was designated for economic development in the 1970's after the loss of Webb Air Force Base.

This year's 86th Texas Legislative Session imposed restrictions on county government that will have long reaching effects, making it more challenging for county government to maintain the integrity of our services, infrastructure and workforce.

The Howard County Budget will be severely impacted next year because of these restrictions. Discretionary programs may suffer because of lack of funding.

In response to these restrictions which will affect the 2020/2021 county budget, Howard County Commissioners' Court finds it necessary to increase our 2019/2020 County Budget to the rollback rate, which is still almost 2 cents less than last year's tax rate. This will allow us to add an Investigator to the Sheriff's Department, another maintenance position for the courthouse complex of six buildings and give our employees a 3 percent raise.

Howard County Commissioners' Court will continue to be responsive to our citizens, and do our level best to serve our Community.

EFFECTIVE TAX RATE (1)

2019-20 BUDGET

	<u>Tax Rate Per \$100</u>
Last year's tax rate (2018-19)	0.328024
This year's Effective Tax Rate	0.283438
Rollback rate	0.303165

Last year's tax rate is the actual rate the County used to determine property taxes last year.

The effective tax rate is a calculated rate that would provide the County with about the same amount of revenue it received in the year before, on properties taxed in both years. If property values rise, the effective tax rate will go down and vice versa.

The rollback rate is a calculated maximum rate allowed by law without voter approval. It provides the County with about the same amount of tax revenue it spent the previous year for day-to-day operations, plus an extra 8 percent increase for those operations, plus sufficient funds to pay debts in the coming year. If the County adopts a tax rate that is higher than the rollback rate, voters in the County can circulate a petition calling for an election to limit the size of the tax increase.
